

The Cen-Tex Humane Society is a non-profit 501©(3) organization
The society runs the **2nd Chance Animal Shelter**, the only no-kill shelter in the Central Texas area.
The mission of the society is to care for homeless animals and find them good homes.

We extended our commitment to help all animals beyond our shelter gates.
If you have lost or found an animal, need to find a forever home for your pet, want to see
our special animals, or have a happy ending to tell us about, visit our forum on our
website's main page, www.centexhumanesociety.com
Following are all forums listed as they appear on the website:

- **Lost and Found**
Have you lost a pet, have you found a dog or cat? Please post detailed information here. If you have a picture, please upload it. It will make locating the owner/pet a lot easier!
- **Match Maker**
If you cannot keep your pet and have time to place it with another family, you can post it here. Make sure you give time line and special needs for the animal as well as a picture if you have one (or two or three)
- **New Faces**
Although we try to post new arrivals at the shelter every week on Petfinder, this is a place where volunteers and staff can post new arrivals and tell special stories.
- **Old Faces**
This forum is a place for staff and volunteers to post older animals and those that have been at the shelter for a while. Please consider adopting an older animal. They are wonderful companions and deserve to live out their lives in a forever-home environment.
- **My Forever Home**
Would you like to fill us in on how your adopted pet is doing? Do you have a story to tell about your adoption experience. This is the place for your story.
- **Questions & Answers**
Do you have a question? Mind you, we do not have someone here to reply 24/7 but if the question is not urgent, feel free to post so others can come and read the information after you. If you have an immediate question, please call the shelter during operating hours at 254.526.6200. If your question is not urgent but also not of interest for the public, feel free to email shelter@centexhumanesociety.com.
